

Over 65 years of age: Medicare & Supplemental Health Care Options

The following content is for informational purposes only, and nothing is intended to be, nor should be construed to be medical, insurance, legal, or financial advice.

- Information regarding Medicare can be found at www.medicare.gov.
- Information regarding Medicare supplemental insurance in North Carolina can be found at www.ncshiip.com. (Email: shiip@ncdoi.gov).

(This information is related to the State of North Carolina's Department of Insurance. Other states may have similar departments & programs, so residents of states other than North Carolina should check with their state governments for similar information.)

If further advice is required regarding Medicare supplemental insurance, you should contact an independent insurance agent. One such contact appears below.

While the NNRA has no connection (official or otherwise) with Ann Swinson or Legacy Health Strategies, we thank Ann Swinson for her assistance & information. She is an independent agent licensed in North Carolina for Individual Health Insurance, Medicare Supplemental insurance, and the NC risk pool. Her contact information is as follows:
